

## Jessica Condoluci-Carrillo

Jessica Condoluci-Carrillo has been a resident of Hesperia for the past 20 years. She has been married for 15 years and has four beautiful children, three grandchildren and two step children.

She is Italian, and she loves to cook! As owner of A Magic Moment custom cakes, she provides custom cakes and sweets. She is also co-owner of A-Tech Transmission, a well-known and respected automotive shop in Hesperia. Jessica has been a proud member of the Hesperia Chamber of Commerce since 2003 and has held various other leadership roles in the community, including a three-year term as president of the Hesperia Kiwanis Club, and director of the HARD Foundation (Hesperia Park and Recreation District).

Earlier this year, she received the Lillian King Award for her community service from the City of Hesperia, and she is determined to continue to impact the High Desert in ways that instill hope while providing opportunity to some of the most vulnerable in our community.
