

Hello everyone. My name is Margherita Leone. I have been on the Today's Woman Board of Directors since the year 2011 serving as the Treasurer. I have been working for Choice Medical Group since the year 2009 as the Controller. I am married and have been blessed with two beautiful children. I knew Anna Sugi, one of the founders of Today's Woman Foundation, for only two years before her passing, but knew she was very passionate about the work that the foundation represented and wanted to see it succeed further. I hope and pray that the Today's Woman Foundation can continue to grow and reach out to more people to inspire and support them through education, advocacy and resources needed to enhance body, mind and spirit. I am happy to be serving on the Board of Directors with such a wonderful group of women ready to take on the challenge. Thank you
